

KEY NEEDS DESCRIBED BY SURVIVORS

COMMUNITY SAFETY & WELLBEING

HOUSING

Increase the availability of safe, stable and affordable housing.

ACCEPTANCE

Educate communities about the dynamics of domestic violence so people are prepared to help; and to reduce the judgment and stigma around the problem.

\$ FINANCIAL STABILITY

Work on things like living wages, education and job training opportunities, increasing minimum wage and addressing the gender pay gap.

ASSISTANCE

Expand eligibility for social safety net programs, including increasing income limits, and allowing supports for immigrants and survivors with criminal histories.

NEIGHBORHOOD SAFETY

Promote neighborhood safety and connectedness with things like neighborhood watch programs and free activities that bring neighbors together.
